

# THE KENYA JACARANDA

and Kenya Jacaranda Heritage Sailing

## Heritage Sponsorship

Kenya Jacaranda Heritage Sailing is 'relaunching' this historic Brixham trawler with new aims and objectives which are to preserve 'KJ' for posterity and to engage people in all walks of life, especially young people, in her preservation, maintenance and sailing activities.

To set our mission in motion we are inviting 64 very special companies, organisations and individuals (or groups of individuals) to become Heritage Sponsors.

64 Heritage Sponsorships are being offered in the best nautical traditions, reflecting the 64 'shares' which were, for centuries, used to define ship ownership.

Today, Heritage Sponsorship does not imply ownership – neither does it imply responsibility. Instead, it is a wonderful expression of your generosity and your concern for the future of this historic ship, an important part of our maritime heritage.

Heritage Sponsorship of the Kenya Jacaranda costs £1,000 (more, if you so wish) and establishes a permanent connection between sponsor and KJ which we will express in the form of life membership of Kenya Jacaranda Heritage Sailing, a framed certificate and inclusion on a permanent plaque on board.
